

Core 5 Awareness

At Core5 events, everyone is welcome – we stand for **inclusion, safety, and respect**. Our awareness rules are **short and simple**, so everyone **actually reads them** – and we **expect everyone to follow them**.

Our 5 core rules

1. **Respect** – treat all people and our venue with care.
2. **Only YES means YES** – anything else is a NO.
3. **Inclusion matters** – discrimination of any kind has no place here.
4. **Keep it safe** – zero tolerance for violence or harassment, in any form.
5. **Speak up & support** – if you **feel uncomfortable** or witness something, **tell our trained team** (bar, entrance, cloakroom, or event manager). **They are fully briefed and ready to help.**

The **well-being of every person**, regardless of gender, origin, or sexuality, is our **top priority**.

That's why **anyone violating these rules will be removed immediately**, and we **reserve the right to report incidents to the authorities**.

Come as you are. ❤️
